

Good morning it's the Guy R Cook Report on linkedin as the topic for today and just for a second I want to thank the patrons that support our podcast couldn't do it without you sure appreciate that and today we're going to talk about the Guy R Cook Report on LinkedIn well sure I post there every day I'd like to fish where

the fish are. But more importantly is the company page that's on LinkedIn if you go to the Guy R Cook Report .podbean.com you'll see the show notes there and we'll have a link there that goes right to that company page it's a landing page if you will for all the things that are the GuyR Cook report that's set up as a company on LinkedIn and so follow that page for updates about the Guy R Cook Report thank you very much for listening today and a happy Thursday to you I hope that you'd explore the other links that we've got in the show notes for Fraser Ramsay's sake and and Ileana Smith is in there too.

It's a wrap
